Durham College/UOIT Residence, 32 Commencement Drive, Oshawa, ON L1G 8G3
Durham College/UOIT Residence, 1910 Simcoe Street North, Oshawa, ON L1G 4Y3

The residence community is a place that promotes a safe and peaceful environment that supports the academic success of Residents as well as their personal and social development. We aim to ensure that it is inclusive, responsible, and respectful. The Residence Community Living Standards (RCLS) has been created in consultation with students and staff at colleges and universities across Canada to ensure the residence environment achieves this goal.

Within the RCLS, the following items are discussed and defined:

1. **The People in the Residence Community** (the Residence Staff and their roles)
2. **Objectives of the Residence Community Living Standards** (our goals for the community)
3. **Rules that Affect You in Residence** (residence rules, DC/UOIT policies & Canadian laws)
4. **Residence Citizenship** (your rights, responsibilities and privileges)
5. **Offenses and Sanctions** (rules and consequences)
6. **Judicial Procedures** (incident reports, meetings, and appeals)

1. THE PEOPLE IN THE RESIDENCE COMMUNITY

Our Residence Staff work hard to ensure that you have a positive experience in residence while studying at Durham College and/or the University of Ontario Institute of Technology (DC/UOIT). Below is a list of some of those people and their roles. The objectives of the RCLS, which is explained in the next section of this document, is our expression of the commitment we make to ensuring everyone has a positive experience in residence.

DIRECTOR, RESIDENCE OPERATIONS (DRO)

The Director, Residence Operations is responsible for the operation of all facets of the DC/UOIT Residence. The DRO is committed to ensuring that your overall experience in residence is a safe, enjoyable and successful one.

RESIDENCE LIFE MANAGER (RLM)

Many of the day-to-day activities associated with 'Residence Life' are overseen by the RLM, including overseeing the judicial process associated with the Residence Community Living Standards.

RESIDENCE LIFE COORDINATOR (RLC)

The Residence Life Coordinator's are responsible for all matters related to student life, including overseeing the residence life program, and providing support services to students. The RLCs also supervise the Resident Advisors and volunteers working in residence.

RESIDENCE LIFE STAFF (RLS)

Community Advisors (CA), Resident Advisors (RA), Resident Academic Leaders (RAL), and GEARS Resident Advisor (GEARS RA).

The role of Residence Life Staff is filled by returning students who live in the building and plan educational and social activities in the residence. They provide valuable support and guidance to residents, while at the same time acting as a liaison with Residence Management. They complete nightly rounds of the building and are available through the Residence Life Office or the Front Desk. They have the tools and knowledge to get you the answers, direction and/or assistance you need, or can simply be someone to talk to.

RESIDENCE SERVICE REPRESENTATIVE (RSR)

The RSR is always available to help you with any questions you may have about the Residence and the surrounding area. You will need to see them to sign out vacuums, keys for various controlled rooms or facilities, and to sign-in guests. It is the responsibility of the RSR to ensure the safety and security of all residents, including our visitors.

2. OBJECTIVES OF THE RESIDENCE COMMUNITY LIVING STANDARDS

- To create a safe, secure, responsible and respectful community by outlining the positive standards of behaviour expected within the residence community and holding Residents and their Guests accountable for behaviour that violates these standards and encouraging Residents to resolve their community living issues in a mature fashion.
- To create an environment conducive to academic success by promoting behaviour among Residents and their Guests that creates an effective learning environment.
- To create an environment conducive to personal growth and development by educating Residents about the effect that their choices may have on themselves and others around them and providing Residents with an opportunity to learn from their behaviour.
- To create a fair environment by following the Principles of Natural Justice and Procedural Fairness and clearly defining the standards and processes that Residents, Guests and Staff are expected to follow.

3. RULES THAT AFFECT YOU IN RESIDENCE

Residence policies and procedures are set guidelines for students that live in residence on DC/VOIT's campus. These are detailed in the Student Residence Agreement, the residence website, and the RCLS. DC/VOIT policies and procedures are related to an individual's status as a student of DC/VOIT and their behaviour on campus, which includes residence. Therefore, as a residence student your actions in residence can also affect your academic status.

Municipal, Provincial and Federal laws and by-laws are related to you being a citizen in the city, province and country. The standards outlined by Residence and DC/VOIT are informed by these laws. Residence and DC/VOIT Staff aim to ensure that all of these standards of behaviour are respected and maintained.

Normally the Residence policies and procedures and DC/VOIT's policies and procedures act independently of one another. However, Residence shares all reports alleging RCLS violations with DC/VOIT. In situations that create a concern for the safety and security of students in residence and on campus, all important information will be shared between appropriate Residence and DC/VOIT officials. In serious cases, allegation(s) may be investigated by both the Residence and DC/VOIT and the student will be subject to the sanctions under both sets of policies and procedures.

This includes any behaviour observed or carried out through an online medium, by using text, audio, video or images, including but not limited to Facebook, YouTube, Instagram, and Twitter will be treated as an Offense detailed within these standards.

AUTHORITY

The RCLS is intended to be clear to all readers. If you have a question, consult a Residence Staff member, as they have the authority to interpret the Standards. The RCLS attempts to identify a range of behaviours that constitute Offenses. Residence reserves the right, in extraordinary circumstances, to identify and sanction conduct that may not be specifically described, but which clearly does not support the stated Objectives of the RCLS or DC/VOIT Policies.

PROTECTION OF PRIVACY

All concerning behaviours and allegations of offenses documented in Residence Reports will be made available to the Resident, Campus Security and the Office of the Vice President, Student Affairs, upon request. 5. VIOLATIONS AND SANCTIONS (THE RULES AND CONSEQUENCES)

A violation is any unacceptable conduct, action or neglect that violates the RCLS, Student Resident Agreement or DC/VOIT's policies. Violations are described and classified based on three levels of increasing severity. Sanctions are the consequences for violations, which are described in detail in subsequent sections of the RCLS. At each level of offense and/or after repeated violations the severity of the sanctions will increase.

Level 1 Violations: Actions that interfere with the rights of another individual or community to the peaceful use and enjoyment of their space in Residence. Normal Point Range: 1-3

Level 2 Violations: Actions that create a significant nuisance and/or disturbance to an individual or community and/or repeated level one violations. Normal Point Range: 2-5

Level 3 Violations: Actions that endanger the safety and security of an individual; significantly compromise or damage personal or Residence/DC/VOIT property; attack the dignity/integrity of an individual; contravene the laws of the land; and/or repeated level two violations. Any Level 3 Offense may warrant an eviction. Normal Point Range: 4-9

The Point System

The point system is designed to help define the seriousness of specific behaviours and to track the frequency and severity of a student's RCLS violations. All violations are associated with points ranging from a value of 1 through 9. All violations have a minimum value of one point. The assigned number of points will depend upon the type of incident and/or its severity. In complex situations where multiple violations occur in the same incident, points will typically be assigned based on the most serious single violation of the RCLS.

Points remain on record until August 15 of each year, or as stipulated upon eviction. After a Resident has been found responsible for a violation, the Resident may be responsible for educational, restorative, or punitive sanctions. Points are assigned for each incident based on the table below. Points are used in determining the sanctions appropriate for a resident, given their cumulative conduct record, as outlined in the "Sanctions" section below. During sanctioning, decision makers consider a resident's total points, including those assigned for the current violation.

Tier	Points Accumulated	Typical Sanction Examples
I	1 - 3	Warning, Community Service, Educational, Fine, Loss of Privileges, Restitution
II	4 - 8	All Tier I Sanctions, Communication Ban, Transfer/Relocation, Behavioural Contract, Residence Probation
III	9 +	All Tier I, and II Sanctions, Eviction, Recommendation of Charges of non-Academic Misconduct

SANCTIONS

Sanctions are consequences for behaviour that violates the RCLS, Student Residence Agreement, or DC/UOIT policies. These sanctions are explained in detail, including any relevant deadlines or payment information in a Decision Letter written by Residence Staff. Sanctions are intended to be primarily educational and restorative in nature. Sanctions may be used independently or in combination for any single violation. Repeated and/or multiple violations shall increase the severity of sanctions applied, as determined by a resident's point total. In most circumstances, the following range of sanctions may be assigned to residents at each tier of cumulative point totals.

Tier I – Residents with 1-3 Total Points

- a)** Warnings – a verbal or written caution that continuation or repetition of the offending behaviour will constitute more serious sanctions in the future.
- b)** Community Service – tasks or roles assigned as sanctions, which contribute positively to the reputation, welfare or condition of the Residence or surrounding community.
- c)** Disposal/Removal of Items – removal of items from the Residence that violate the Residence Community Living Standards.
- d)** Educational – tasks assigned as a sanction designed to promote learning and development.
- e)** Fines - a sanction applied to a Resident whereby they are required to pay a monetary fee.
- f)** Loss of Privileges – a sanction that places restrictions on certain privileges of the Resident.
- g)** Restitution – payment for damage or loss experienced by DC/UOIT, Residence, Residents, Guests or others.

Tier II – Residents with 4-8 Total Points

- h)** All Tier I Sanctions.
- i)** Communication Ban – a sanction that limits the privilege of a Resident to communicate freely with another Resident.
- j)** Transfer/Relocation – a sanction that will reassign accommodation either within the Residence Complex or to a location off campus
- k)** Persona non grata (PNG) or Trespass Notice – a sanction given to an individual who is denied the privilege to enter Residence. The PNG individual is also prohibited from attending any residence events which occur outside of the building. A copy of the PNG letter is filed with Campus Security. A PNG individual found or seen in residence at any time will be reported to Campus Security and may be subject to further sanctions under Residence or DC/UOIT policies.

- l) Denial of Readmission to Residence – a sanction given to a Resident who will not be permitted to live in residence in the future.
- m) Residence Probation – a sanction applied as a deterrent against future violations. Any future violations of the RCLS of any kind may result in eviction.
- n) Behavioural Contract – a signed contract between a Resident and Residence Management addressing behaviour that may or may not be covered by the RCLS, to comply with conditions of conduct and to refrain from specified conduct as detailed in the Behavioural Contract. Violations of the terms a behavioural contract may lead to eviction.

Tier III – Residents with 9+ points

- o) All Tier I and II Sanctions.
- p) Eviction – termination of the Resident’s Student Residence Agreement (contract) with the Residence.
- q) Recommendation for charges of non-academic Misconduct – a sanction where Residence Staff make a formal recommendation to DC/UOIT to investigate and/or charge the Resident with non-academic misconduct.

PRIMARY AND SECONDARY CONTACTS

Every resident is required to identify two people as their Primary and Secondary contacts. It is suggested that these people are parents or legal guardians of the resident, as they serve as emergency contacts. They may also be contacted if any other significant concerns or problems arise with the resident, such as significant violations of the residence rules, late payments or fees, or concern for their well-being. Sections 5.01 and 5.02 of the SRA provide more details about the Primary and Secondary Contacts.

6. JUDICIAL PROCEDURES

PRINCIPLES OF NATURAL JUSTICE AND PROCEDURAL FAIRNESS

The Principles of Natural Justice and Procedural Fairness must prevail in Judicial Procedures to uphold the principle that justice must not only be done, but be seen to be done. The principles are explained below:

- (a) The Resident has the right to be informed of the allegation(s) of Offense(s).
- (b) The Resident is entitled to an opportunity to respond to allegation(s) of Offense(s) at a meeting with Residence Staff and is also entitled to a reasonable notice of the time, place and nature of the meeting.
- (c) The Resident is presumed not to be guilty of the alleged Offense(s) until an impartial and unbiased Decision-maker has determined the Offense(s).
- (d) The Resident is entitled to reasonable disclosure of evidence of the Incident Report prior to a decision. Fact-finding occurs at a meeting with the Decision-maker.
- (e) At meetings to discuss level three offenses, the Resident is entitled to call a reasonable number of witnesses to the meeting to discuss alleged Offense(s). This must be arranged with the Decision-maker prior to the meeting.
- (f) The Resident is entitled to be advised in writing of the Decision about the alleged Offense(s) and the Sanction(s) applied, (if any). The Decision about guilt or innocence and any associated Sanction(s) should be made within a reasonable time.

STANDARD OF PROOF

The information necessary to prove that an offense has occurred is referred to as the standard of proof. Outside of a court of law, the model used by Colleges and Universities is called the Balance of Probabilities. The standard of proof has been met if at the conclusion of an investigation, based on all credible information, the Residence Staff believes that the incident reported probably occurred. This means that the information provided in the Incident Report and in the judicial meeting demonstrated that the violation is more likely than not to have occurred. The standard of proof for criminal cases is beyond a reasonable doubt, which does not apply in Residence Judicial Procedures.

INCIDENT REPORTS AND JUDICIAL MEETINGS

A summary of the Judicial Process is presented in the chart following this section.

Residence Staff will record behaviours, actions or negligence that may be Offenses against the RCLS in Incident Reports. When necessary, the Incident Report may also include appendices, such as e-mails, photographs, or Security, Police, or Fire reports. Residence Staff will notify the Resident(s) of the alleged Offense(s) and will notify them of a meeting to discuss the matter.

The purpose of a Judicial Meeting between a Resident and a Residence Staff member is to investigate allegations of offenses detailed in an Incident Report. This is the opportunity for Residents to be heard and explain their behaviour to the Residence Staff member. While these meetings must comply with the Principles of Natural Justice and Procedural Fairness and may result in formal sanctions, they are not designed to be highly formal in nature. At the conclusion of the meeting the Residence Staff member will follow-up with the Resident in writing with a Decision Letter, which will outline all necessary decisions about offenses, sanctions and any related deadlines. If the Resident fails to attend the Judicial Meeting with the Residence Staff member, the Residence Staff member may choose to proceed and make a decision based upon all evidence available.

COMMUNICATION BETWEEN RESIDENT(S) AND RESIDENCE STAFF

Residence Staff will endeavour to communicate with Residents via several methods to discuss Incident Reports, deliver Decision Letters, and any other important aspects of the judicial process: (a) a telephone call to the resident’s phone provided to them in their room or the phone number on their residence application, (b) an e-mail to their DC/UOIT e-mail account or the account provided in their application, (c) a letter placed in a Residents mailbox or under a Residents room door, or (d) in person. An attempt to contact and communicate with a Resident is deemed to be satisfactory when any two of the above methods have been used by Residence Staff.

DC/JOIT RESIDENCE JUDICIAL PROCESS		
Incident Report Alleged violations of the RCLS are documented by Residence Staff in an Incident Report		
Alleged Level 1, 2 & 3 Violations: Judicial Meeting with RLM (or designate) Resident(s) meet with the RLC to review the Incident Report.	Alleged violations of Behaviour Contracts and/or serious Level 3 Violations: Judicial Meeting with RLM (or designate) Resident(s) meet with the RLM to review the Incident Report	
Decision Letter RLC communicates decision about allegations, violations, and sanctions to Resident(s) in writing.	Incident Referred to DRO (or designate) In situations where Resident(s) have violated Behaviour Contracts or when serious Level 3 violations are assessed, the Incident will be referred to the DRO.	Decision Letter RLM communicates decision about allegations, violations, and sanctions to Resident(s) in writing.

RESIDENCE EMERGENCIES

Although the three levels of Violations and the Judicial Procedures are intended to apply to most situations related to behaviour, there are conditions that warrant a heightened level of concern for safety, security, health and wellbeing. These conditions require special authority and guidelines. The following definitions and procedures ensure a swift, effective response to conditions to protect Residents, guests, staff, the community and the Institution. In consultation with the College and its threat assessment and emergency procedures, the Director, Residence Operations is granted extraordinary authority to respond to Residence Emergencies.

DEFINITION OF A RESIDENCE EMERGENCY

In consultation with the Institution, the Director of Residence is authorized to determine if Residence Emergency conditions exist, which is defined by any one of the following:

- a) evidence that a Resident, student, or staff has been harmed or appears to be in danger of harm,
- b) evidence that a Resident, student, or staff has harmed or poses a threat to harm another individual or the community,
- c) evidence that a Resident, student, or staff has inflicted self-harm or appears to be in danger of doing so.

RESIDENCE EMERGENCY PROCEDURES

In consultation with the Institution(s), the Director, Residence Operations is authorized to:

- (a) suspend other rules in order to invoke a swift response to a Residence Emergency
- (b) turn the matter immediately over to appropriate authorities
- (c) immediately relocate the Resident(s) involved within the Residence or off campus, pending a meeting with the Resident
- (d) authorize an Exclusion, which takes effect immediately and without notice, pending a meeting with the Resident. This means that the individual:
 - a. is prohibited from accessing any service or facility of the Residence
 - b. may be escorted from the Residence and/or the campus
- (e) determine Sanction(s) at Levels 1, 2, and 3, following a meeting with the Resident

APPEAL PROCEDURES

A summary of the Appeal Procedures is presented in the chart following this section. The following general principles apply to all appeals:

- (a) The Principles of Natural Justice and Procedural Fairness must prevail in Appeal Procedures to ensure compliance with the principle that justice must not only be done, but be seen to be done.
- (b) Any resident found in violation of the RLCS is entitled to submit an appeal, based in the grounds for an appeal mentioned below.
- (c) A resident has 5 business days from the date they receive their Decision Letter to start the appeal process. Staff will endeavour to respond to appeal requests within 5 business days of receiving them.
- (d) Depending on the original decision rendered the appeal process proceeds via one of two processes: the Appeal Process or the Eviction Appeal Process, which are detailed below.
- (e) If the resident determines outcomes of the Decision-maker are not satisfactory and they have grounds for an appeal they may complete the appeal request form and submit it to the Residence Office, who will in turn submit to the chair of the institution's student conduct committee.
- (f) Student Conduct Committee Membership is typically as follows:
 - i. Chair
 - ii. Dean - identified for a two year term (substitute to be identified in the event that the student accused of violating the Student Conduct policy is registered in the dean's school).
 - iii. Student Affairs representative – two year term.
 - iv. Student Representative – selected by the committee from campus wide applications – one year term.
 - v. Student Representative (alternate) to be available in the event of a conflict of interest. Selected by the committee from campus wide applications – one year term.
- (g) In the event of an eviction, if the resident has grounds for an appeal, the resident may complete the formal appeal request form and submit it to the Residence Office who will forward the appeal to the chair of the student conduct committee.

THE APPEAL PROCESS

Students may choose to follow up with the decision maker by scheduling a meeting in order to better understand the decision or sanction(s) related to their incident. Should a student believe that there are issues with the finding of responsibility or sanctions related to their incident, they always have the right to appeal the decision.

- (a) The Appeal Process is in place for all decisions excluding Eviction.
- (b) Students may request to appeal a decision, or appeal to receive alternative sanctions on a decision. In both cases, students must complete an Appeal Request Form and submit it to the Residence Office, within 5 business days of receiving the decision letter. The resident requesting to appeal a decision must demonstrate that they have grounds, which includes providing evidence of one of the following items:
 - i. **Bias:** Alleged and reasonable apprehension of bias of the Decision-maker who imposed the sanction(s).
 - ii. **Procedural Fairness:** Alleged substantive failure by the Decision-maker to comply with the Principles of Natural Justice and Procedural Fairness, which may have affected the decision.
 - iii. **New information:** Substantive new evidence which could not have been available to the Decision-maker when making the decision.
 - iv. **Alternative Sanctions:** The resident may request for their sanction(s) to be altered because the sanction(s) assigned are unduly burdensome, either because they are disproportionate to the violation and escalating conduct process, or because circumstances individual to the respondent render the sanction(s) more burdensome than they would typically be.Residents requesting to receive alternative sanctions on a decision must suggest options that are equivalent in nature to the original decision (this is not applicable to evictions).
- (c) Once the Appeal Request Form is received, the resident(s) will be contacted in writing within 72 hours to setup an appeal meeting. If the appeal is granted, the Student Conduct Committee will set-up an Appeal Meeting with the resident(s).
- (d) The individual or committee considering the appeal may, after reviewing the case:
 - i. uphold the findings and/or sanctions;
 - ii. reverse the findings; or
 - iii. reverse or modify the sanctions.
- (e) During an appeal, all sanctions (minus financial sanctions) remain valid until they are reversed or modified by the individual or committee hearing the appeal. Financial sanctions will not be applied until a decision has been made.
- (f) All decisions made in an appeal are final and are not subject to further appeals.

THE EVICTION PROCESS

- (a) If the resident has grounds for an appeal, the resident may complete the Appeal Request Form and submit it to the Residence Office, within 5 business days of receiving the eviction. The resident requesting the appeal must demonstrate that they have grounds, which includes providing evidence of one of the following items:
 - i. **Bias:** Alleged and reasonable apprehension of bias of the Decision-maker who imposed the sanction(s).
 - ii. **Procedural Fairness:** Alleged substantive failure by the Decision-maker to comply with the Principles of Natural Justice and Procedural Fairness, which may have affected the decision.
 - iii. **New information:** Substantive new evidence which could not have been available to the Decision-maker when making the decision.
- (b) Once an eviction Appeal Request Form is received, the Student Conduct Committee will review the grounds for the appeal and make a decision to either deny the appeal or set-up an Eviction Appeal Hearing. The resident(s) will be contacted within 72 hours to notify them of this outcome.
- (c) If the appeal is granted, the Student Conduct Committee will set-up and chair the eviction appeal. The Student Conduct Committee Membership is typically as follows:
 - i. Chair
 - ii. Dean - identified for a two year term (substitute to be identified in the event that the student accused of violating the Student Conduct policy is registered in the dean's school).
 - iii. Student Affairs representative – two year term.
 - iv. Student Representative – selected by the committee from campus wide applications – one year term.
 - v. Student Representative (alternate) to be available in the event of a conflict of interest. Selected by the committee from campus wide applications – one year term.
- (d) The Eviction Appeal Committee will communicate a decision in writing to the resident. The committee will review all evidence and may decide to:
 - i. uphold the findings and/or sanctions;
 - ii. reverse the findings; or
 - iii. reverse or reduce the sanctions.
- (e) During an appeal, all sanctions (minus financial sanctions) remain valid until they are reversed or modified by the individual or committee hearing the appeal. Financial sanctions will not be applied until a decision has been made.
- (f) All decisions made in an Eviction Appeal Hearing are final and are not subject to further appeals.
